Professional Summary

Undergraduate Mathematics student at the University of Trento, expecting to graduate with a Bachelor's degree in March 2027. Recently completed a one-year high-school teaching assignment in Mathematics and Physics in Bolzano and currently teaching Italian language at an elementary school. Currently expanding my technical skill set through dedicated studies in web design and web development. My academic background in mathematics and diverse professional experience have allowed me to develop strong analytical skills, a rigorous problem-solving approach, and high adaptability.

Work Experience

Elementary School Teacher (Italian language) *Brixen (Bolzano), Italy*
Sep 2026 – Nov 2026

- Taught Italian in a German-speaking elementary school environment.

High School Teacher (Mathematics and Physics) *Bolzano, Italy*
Sep 2025 – Jun 2026

- Taught Mathematics and Physics courses to high school students, successfully communicating complex concepts and fostering a rigorous analytical approach.

Receptionist *Trento, Italy*
Aug 2023 – Aug 2025

- Provided comprehensive guest reception and customer assistance.
- Handled billing and invoicing for both the restaurant and hotel operations.
- Managed hotel bookings, room assignments, and daily organizational planning.

Education

University of Trento *Trento, Italy*
Bachelor's Degree in Mathematics *Sep 2019 – Present (Expected: Mar 2027)*

- Key subjects: Algebra (Cryptography Algorithms), Computer Science, Geometry, Mathematical Analysis, Statistics.

Liceo Scientifico E. Torricelli *Bolzano, Italy*
High School Diploma (Scientific Focus) *Sep 2014 – Jun 2019*

- Key subjects: Mathematics, Physics, Latin, Philosophy, Sciences.

Skills

- **Languages:** Italian (Native), English (Excellent/C1), German (Good/B1).
- **Technical Skills:** Strong logical reasoning and abstraction abilities developed through academic training in Mathematics. Basic knowledge of programming languages: Java, R, Python. Very good knowledge of the hotel booking software ASA. Solid foundation in modern web development, specializing in HTML, CSS, and JavaScript.
- **Soft Skills:** Effective communication and knowledge transmission (gained through teaching). Ability to manage high-pressure situations calmly (developed in customer-facing roles). Strong autonomous organization skills.

Certifications

- **Bilingualism Certificate (Level B1)** – Autonomous Province of Bolzano (2024)
- **Certificate in Advanced English (C1)** – Cambridge University Press & Assessment English (2018)
- **German Certification (Level B1)** – Goethe Institut (2013)
